

Faculty Senate President's Report

May 2012

Since our last meeting, the following items have gained attention

- (1) Courses not taught in 4 or more years—Undergraduate and Graduate Councils—Status report: Both Councils continue to work on this matter. A resolution in the form of a policy has not been reached and the Councils will continue to work on this for the 2012-2013 academic years.
- (2) Committee/Council end-of-year reports on Senate website: End-of-the-year reports for each of the committees/councils can be found on the Faculty Senate website. Please review these to review what has been accomplished in committee this academic year.
- (3) The Faculty Senate would like to thank Vice-Provost Sarah Gardial for the tremendous time, expertise, and work she has invested into the Faculty Affairs Committee. She will be missed, but we wish her all the best in her new position as Dean of the Henry B. Tippie College of Business at the University of Iowa.
- (4) Discussions continue with the NTTF Faculty and the Faculty Affairs Committee will introduce a resolution to the Senate to incorporate this group of faculty into the Faculty Senate.
