

## **Faculty Senate**

### ***President's Report***

**April 2, 2012**

---

Items that we are addressing that will appear on future Senate agendas include:

- (1) SAIS discussions continue with the Provost and the committee she created to address this
- (2) NTTF proposal has been sent to the Faculty Affairs Committee
- (3) System Strategic Planning—please provide feedback. Executive Summary of the four goals can be found on the Faculty Senate Website
- (4) Report from Undergraduate Council and Graduate Council regarding courses not taught in 4 or more years is coming at May's Senate meeting
