

Gender Neutral/ Family Style Restrooms

Main Floor of Hodges

What?

- Will have the ability to lock
- Will have a sign change
- Can be multiple stall
- Will not be a drastic change that requires a lot of construction and disruption

Why?

- * Will provide comfort for trans people
- * Will give further accessibility to people with disabilities
- * Will give visitors/ graduate students/ other people with children a safe place to use
- * Will show our willingness to represent the silent majority
- * Will further our initiative into the Top 25
- * Will provide an air of inclusivity
- * Will make a lasting difference on the lives of students in future generations

When?

- A new building is planned
- A current construction or renovation is in effect
- An existing building is renovated

How?

- ADA funding
- Absorption of cost through planning
- Funds from project completion under budget
- We are economically lenient with Administration
