“If we were hiking the Alum Cave Trail, we would not yet be at Arch Rock.”

Some of What We've Heard and Learned

- The Goal
 - Excellence
 - Continuous Improvement
- Distinctiveness
 - If we want to be best in class
 - What is our class?
 - What makes us distinct in our class?
- Greater Clarity
- “Where Do I Fit In?”

What Does “Top 25” Mean?

- Top 25 does NOT mean *US News & World Report*
- It also does NOT mean we are indifferent to *USN&WR*
- There are many ranking systems (and we love them all)...
 - Our aspirations are broader than a single ranking
 - No single ranking reflects who we are

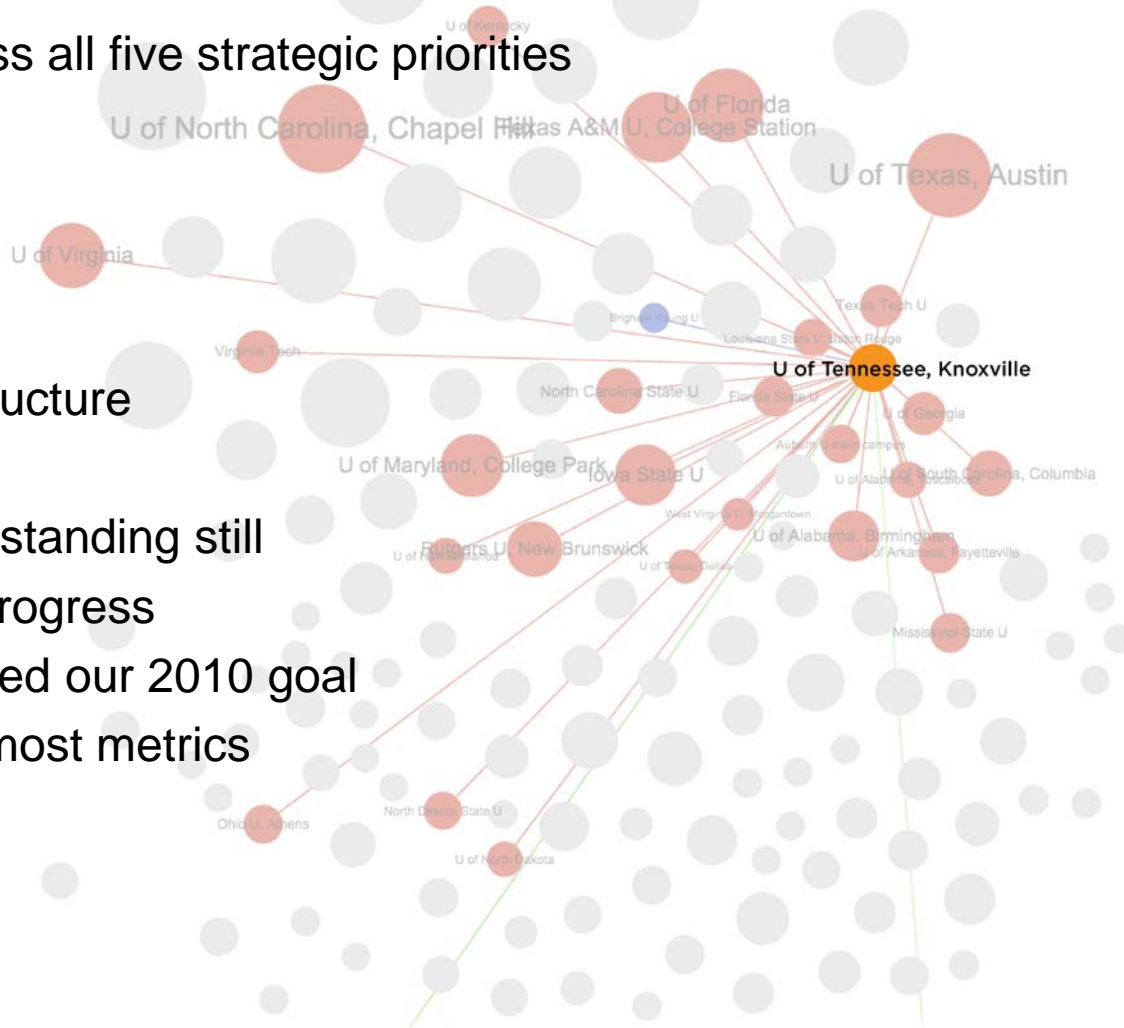

Five Years of Progress

- Evidence of progress across all five strategic priorities

- Undergraduate
- Graduate
- Research
- Faculty/Staff
- Resources and Infrastructure

- Our national peers are not standing still

- In all areas we made progress
- In one area we exceeded our 2010 goal
- We narrowed gaps in most metrics
