

## Faculty Effort and Perceptions Survey

Add Question

The UTK-UTIA Faculty Senate is seeking your input related to faculty workload and other relevant faculty concerns. We hope all faculty members (full-time, part-time, tenured, tenure-track, and non-tenure track) will feel comfortable completing this anonymous survey. The collective responses will help us better advocate for faculty with the campus and system leadership by clarifying the hours and distribution of effort of our faculty, their perceptions of the institution, and our contributions to the university's mission. The survey will take less than ten minutes to complete and will remain open until January 30, 2019.
